LAW - CONDUCT AND ETIQUETTE

Proper Attitude

1. a player should maintain a courteous attitude at all times
2. a player should carefully avoid any remark or action that might cause annoyance or embarrassment to another player or might interfere with the enjoyment of the game
3. every player should follow uniform and correct procedure in calling and playing.

Etiquette

As a matter of courtesy a player should refrain from:

1. paying insufficient attention to the game.
2. making gratuitous comments during the auction and play.
3. detaching a card before it is your turn to play.
4. prolonging play unnecessarily (as in playing on although you know that all the tricks are yours) for the purpose of disconcerting an opponent.

Violations of Procedure

The following are examples of violations of procedure:

1. using different designations for the same call.
2. indicating approval or disapproval of a call or play.
3. indicating the expectation or intention of winning or losing a trick that has not been completed.
4. commenting or acting during the auction or play so as to call attention to a significant occurrence, or to the number of tricks still required for success.
5. looking intently at any other player during the auction and play, or at another player's hand as for the purpose of seeing their cards or of observing the place from which they draw a card (but it is appropriate to act on information acquired by unintentionally seeing an opponents card).
6. showing an obvious lack of further interest in a deal (as by folding one's cards).
7. varying the normal tempo of bidding or play for the purpose of disconcerting an opponent.
8. leaving the table before the round is called.

Both players must be members of Parramatta Bridge Club

☆☆ CLUB EVENTS ☆☆

NB. To receive a prize in any Club event, the Team or Partnership must all be members of Parramatta Bridge Club, also, playing with the Director disqualifies you from receiving a prize in any such event.
